HOW CAN I HELP YOU?

- I will listen to you, and always respect your thoughts and feelings
- Sessions will be fun and include things you like to do
- You will be safe
- We will work together so you can feel better, and be better, at things that are really important to you
- I will work with you and your family, to support you to find ways to make things we do every day easier, less stressful and more enjoyable
- I will help you to see the things you are amazing at doing and to help you to feel better about yourself (because you are awesome)
- We will work really really hard at having fun and you will always be welcomed with a smile 🐾
