

Hi

I'm Hazel Scott and work in the senSI office answering the phone and some of you may have seen me taking your temperature when you arrive for your appointments.

I welcome visitors to senSI and answer any questions that you or your grown up may have.

I enjoy cooking for the senSI team, especially breakfasts and bread.

I worked for many years as a Medical Secretary in the NHS with the CAMHS team and the Community Paediatricians in Great Yarmouth.
